TECHNICAL

AEROSOL CLEANING SOLVENT: 500ml

- Ideal for cleaning machine tips after use and for small tools
- Rapid evaporation

SPECTRUM SF THINNERS: 4.5kg

- Specifically formulated for use with solvent based acrylic paints
- Can be used for thinning to maintain correct viscosity in lower temperatures: also used for retarding drying times in warmer temperatures
- Excellent for cleaning spray equipment and tools, as breaks down paint more effectively than gun cleaner or cellulose thinners
- Free of aromatic solvents, therefore removing exposure to some of the most harmful solvents

SPECTRUM EPOXY THINNERS: 5ltr

- Specifically for thinning epoxy paints and cleaning tools and equipment after application
- Fairly fast evaporating to allow two-part epoxies to flow out smoothly

ADVANCED THINNERS: 5 and 25ltr

- A general purpose solvent used for cleaning tools and equipment including resin mixers and spray machines. Not suitable for thinning, or for use with 2 pack (2K) products

SPECTRUM TYPE 2 THINNERS: 5ltr

- For thinning and cleaning one pack epoxies and also CR paint

TECHNICAL: cont

SPECTRUM ULTRACLEAN: 9ltr

- Very effective for removing MMA from tools and equipment
- Ideal for pre-treating MMA substrates prior recoating to reactivate surface.
- Great at degreasing metal

2 PACK PU THINNERS: 5ltr

- Specifically formulated for thinning two pack PU paints

PACKAGING AND STORAGE:

STORAGE CONDITIONS:

Storage area should be dry, protected from direct sunlight and extremes of temperature - i.e. between 5 and 20°C. Keep away from any source of heat, sparks, open flames, hot surfaces – no smoking.

SHELF LIFE:

12 months when stored under cover, in original unopened containers, in accordance with Storage Condition guidelines listed above.

HEALTH AND SAFETY:

Familiarise yourself with the material safety data sheets before using this product. If you need a copy please call our technical team on 023 9220 0606.

THINNERS MATRIX:

For best application and user experience match your desired marking system(s) with the correct thinners and cleaners.
